The Edition of the Clerion:

AN ACT for the relief of B. P. Pleasants of the State and patriotism, and deserves the thanks of the State and patriotism, and deserves the thanks of the State and patriotism, and deserves the thanks of the State and patriotism, and deserves the thanks of the State and patriotism, and deserves the thanks of the State and patriotism, and deserves the thanks of the conviction of said Robbins; and, are proposed in the way and patriotism, and deserves the thanks of the said and patriotism, and deserves the thanks of the conviction of said Robbins; and, are proposed in the said said county.

STATE OF MISSISSIPPI

STATE OF MISSISSIPPI

**SURTOR I. WE it eastforts the Beard of Supervise of the State of the Stone may, while honoring medical profession, which have heretofore been so sadiy neglected by the various legbeen so sadiy neglected by the various leg-islatures of the State, Nearly every busi- patriotism, and deserves the thanks of the Louisiana, did arrest said Ira D. Robbins, in is at once able, learned and honest; one is a fact that the state of the State. Nearly every business avocation has its relief in the way of a lien law, except the medical professions. The landlord has his rent lien, the who is at once able, learned and honest; one who is the peer of engagement of a lien law, except the medical procession.

The landlord has his rent lien, the who is the peer of any gentleman now on the Bench, and whose bright escutcheon is absolutely stainless. If "Tom Wharton," as his friends love to call one whose name is the landlord has his rent lien, the mechanic's lien, the laborer has a lien upon his crop till his wages are paid, the lawyer has his lien where real estate is in litigation, and the doctor, where is his the synonym of all that is honorable and line? Echo answers, where? Owing to these praiseworthy in men, should receive the appointment of Justice of the Supreme practice and profession of medicine has been who advocate a different course do not deappointment of Justice of the Supreme practice and profession of medicine has been

appointment of Justice of the Supreme Court of Mississippi, the State will secure the services of a gentleman who will worthilly wear the robes long worn by the illustrious Sharker.

practice and profession of medicine has been reduced to one of almost mere charity and the physician to almost absolute want. Can the physician good of the country, tout they are so sadly neglected by our legislators? Or is it simply expected that they go about in the guise of charity, administering to the sick and The Superintendent of the Luafflicted, helping them from their beds to The friends of Dr. Compton, the present facilitate the maturity and gathering of the Superintendent of the Asylumn for the Insane, seeks to create the impression that he own and family's comfort and web are is the only physician in the State who is Certainly none of these. Then why is i capable of managing that institution. I that not one voice has been raised readily acquit Dr. Compton of any complicity in this matter, for he has too much self-respect and too much pride in his profes.

The data has been raised in our legislative halis to offer a bill for the relief of the physician?

A prior lien on laborer's crops and wages respect and too much pride in his profes- for the physician over the merchant, say t slop to desire to succeed by any such paltry | the amount of the sum of \$15 00 on individproceeding. Admitting all that is claimed uals, and \$25 00 on families, would be willingly received by the landlord and could
